### THANK YOU EVENT FOR FR. STRAIN AND FR. MORELY

It was a day of mixed emotions last Sunday, as we said thank you and farewell to Fr. Paul Strain and Fr. Paul Morely, at an Afternoon Tea Party in the Parish Centre, when they were each presented with a cheque and a small gift to remember us by. A big thank you to all those who were involved in the organisation of this very special event, and to all who came along to support. We are so grateful to our volunteers, who came out in force as always. We were treated to all sorts of delicious delights, provided by our wonderful home bakers, and beautifully entertained by our talented parish musicians, who played during the afternoon. We are a very blessed parish.

### A WORD OF THANKS FROM THE FATHERS PAUL

We both really appreciate the lovely turn out on Sunday. It was a comforting inspiration in our ministry, in the midst of change and loss, newness and challenge. In particular, we thank all who took an active part – organising, catering, music, speaking, presenting and attending. Our sincere thanks for your very generous donation, alongside the gift for Fr. Paul Strain of a picture, and for Fr. Paul Morely of a sick call set. (Fr. Paul Strain & Fr. Paul Morely)

### SUPPORTING OUR TEENS

In Blessed Trinity College's Antrim Road site on Tuesday 25<sup>th</sup> October at 7pm, attended by a range of community, health and youth organisations. An opportunity for people to see the help and support available for families in North Belfast.

### ECO CORNER

In 2015, Pope Francis wrote Laudato Si' to every person in the world - an encyclical letter about the environmental crisis. A few years later, four voices, that have gone unheard in global conversations, have been invited to an unprecedented dialogue with the Pope. Hailing from Senegal, the Amazon, India, and Hawai'i, they bring perspective and solutions from the poor, the indigenous, the youth, and wildlife into a conversation with Pope Francis himself. This documentary follows their journey to Rome, and the extraordinary experiences that took place there, and is packed with powerfully moving personal stories, alongside the latest information about the planetary crisis, and the toll it's taking on nature and people.
