

27th & 28th April 2024

Annual Parish Census

A count of attendance will take place at all Masses across the Diocese on 27th and 28th April 2024.

The annual parish census captures valuable information about the numbers, ages, and gender of people attending Mass.

This information helps the Diocese and parishes to identify pastoral priorities, make plans to address them, and deliver services to our faith communities.

When you arrive at Mass, Parish volunteers will greet you at the entrance to the church. You will be given a small counter for yourself and for each person in your family group.

You will then be asked to place the counters in baskets labelled according to age. There will be red counters for females and blue counters for males. The baskets will be labelled with age bands.

The number of counters for each age band will be recorded after each Mass.
