Workshop on Synodality

28. > 29.

JUNE 2025

Methods and places of Participation in the local Church

Promoted by the Evangelii Gaudium Center
at Sophia University Institute (Italy)
in collaboration with the
General Secretariat of the Synod.

The Synodal pathway goes forward!

We have entered the implementation phase of the Synod «For a Synodal Church: Communion, Participation, Mission» that will bring the People of God to an ecclesial Assembly in 2028. The Church in Ireland is engaged in this process, through the development of its Synodal Pathway in harmony with the whole Church.

In this workshop we will learn more about the theological fundamentals and synodal Spirit; we will practice synodal methods (listening, discerning, evaluating the impact, conversation in the Spirit), to help make the places in our churches more synodal.

It is a way of building a Church that is journeying together more and more, within the horizon of the hope that does not disappoint.
